Student Media Consent and Release Form

(To be completed by parent/guardian of minor students)

Livingston Parish Public School (LPPS) system is proud of the many accomplishments of our students and staff. Often, such accomplishments draw the attention of the media, newspapers, television stations, LPPS media, and/or other media who visit the schools to photograph, film, and/or interview students. The LPPS District requests your permission to reproduce through printed, audio, visual, and/or electronic means activities in which your student has participated in his/her education program. Your authorization will enable the District to use specially prepared materials to train teachers and/or increase public awareness and promote continuation and improvement of education programs through the use of mass media (i.e., Twitter, Facebook), displays, brochures, and/or websites, etc.

I, _____ grant permission to the Livingston Parish Public School System to use a picture and first and last name of my child, _____ along with their work to be used for but not limited to the following:

Printed materials such as magazines, newspapers, brochures and newsletters

Videos and television

Digital images to be used on school related websites and videos

I understand that this release form will be valid for one school year, unless I request in writing that it be voided.

I understand that if this release form is not turned in, my child's picture and/or work will not be published.
